FISCAL IMPACT - Small Business

Small business (agriculture producers) will benefit from being able to obtain a higher guarantee percentage.

DESCRIPTION

Currently, the Missouri Agricultural and Small Business Development Authority issues certificates of guaranty covering a first loan guarantee up to 25% of a Single-Purpose Animal Facility Loan. This bill increases the guarantee to up to 50% of a loan.

The bill also decreases from 40% to 20% the immediate redemption amount of the outstanding loans guaranteed by way of the Single-Purpose Animal Facility Loan Guarantee Fund.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
